ANDALUCÍA

WEDDINGS AMIDST OLIVE TREES  
AND THE ANDALUSIAN SKY

In the heart of Andalusia, where the hills of the Sierra de Loja stretch towards an endless horizon, Finca La Bobadilla unfolds as an authentic Andalusian village of calm and elegance. A place where Mudejar architecture and fragrant gardens come together to create weddings that feel suspended in time.

Here, luxury is felt in every detail: in the sound of the fountains, in the light that bathes its courtyards, and in a cuisine and hospitality that turn every celebration into an eternal memory.
