MALLORCA

In the heart of the island, this Mallorcan treasure stands on a historic **40-hectare estate** surrounded by centuries-old olive trees, its own vineyards and Mediterranean landscapes. Its **25 rooms** offer light, serenity and open views of the Pla de Mallorca, with terraces, patios and corners that invite you to enjoy the peaceful surroundings.

At **Jacaranda**, the island reveals itself through its most authentic expression: its cuisine. **Honest dishes, local flavours** and an atmosphere that combines simplicity and elegance. And when it's time to stop the clock, **Único Spa — recognised as the best spa in Spain** — opens the door to an intimate retreat where wellbeing takes centre stage.

Finca Serena Mallorca is the perfect setting for events, private celebrations or corporate gatherings, with versatile spaces integrated into nature and attentive service that allows each event to be tailored to your needs.
