THE  
PRINCIPAL  
MADRID

HOTEL

The first five-star hotel of the Gran Vía. At the beginning of the street, opposite the Círculo de Bellas Artes and the Plaza de Cibeles, The Principal is part of the most recognisable image of central Madrid.

It has 77 **spacious rooms** and suites, elegant and quiet, in a century-old building that has been completely restored. An **exclusive garden** reserved for guests offers a peaceful retreat with the best views of the city.

With a main restaurant, **Ático Restaurant**, the hotel invites you to enjoy the skies of Madrid while having breakfast, lunch or dinner on its terraces or indoors. Its outdoor terrace, with a more casual atmosphere, offers dishes to share and cocktails in a relaxed setting.

The Principal also has **versatile spaces for all kinds of meetings, presentations or private events**, with attentive and personalised service that guarantees unique experiences in the heart of the city.
