ALONG THE COSTA BRAVA

MAS DE TORRENT

HOTEL & SPA

Mas de Torrent and the Mediterranean Sea

Mas de Torrent Hotel & Spa, a five-star luxury accommodation in the Empordà region of the Costa Brava, has introduced exclusive boat trips to its portfolio of luxury services and experiences.

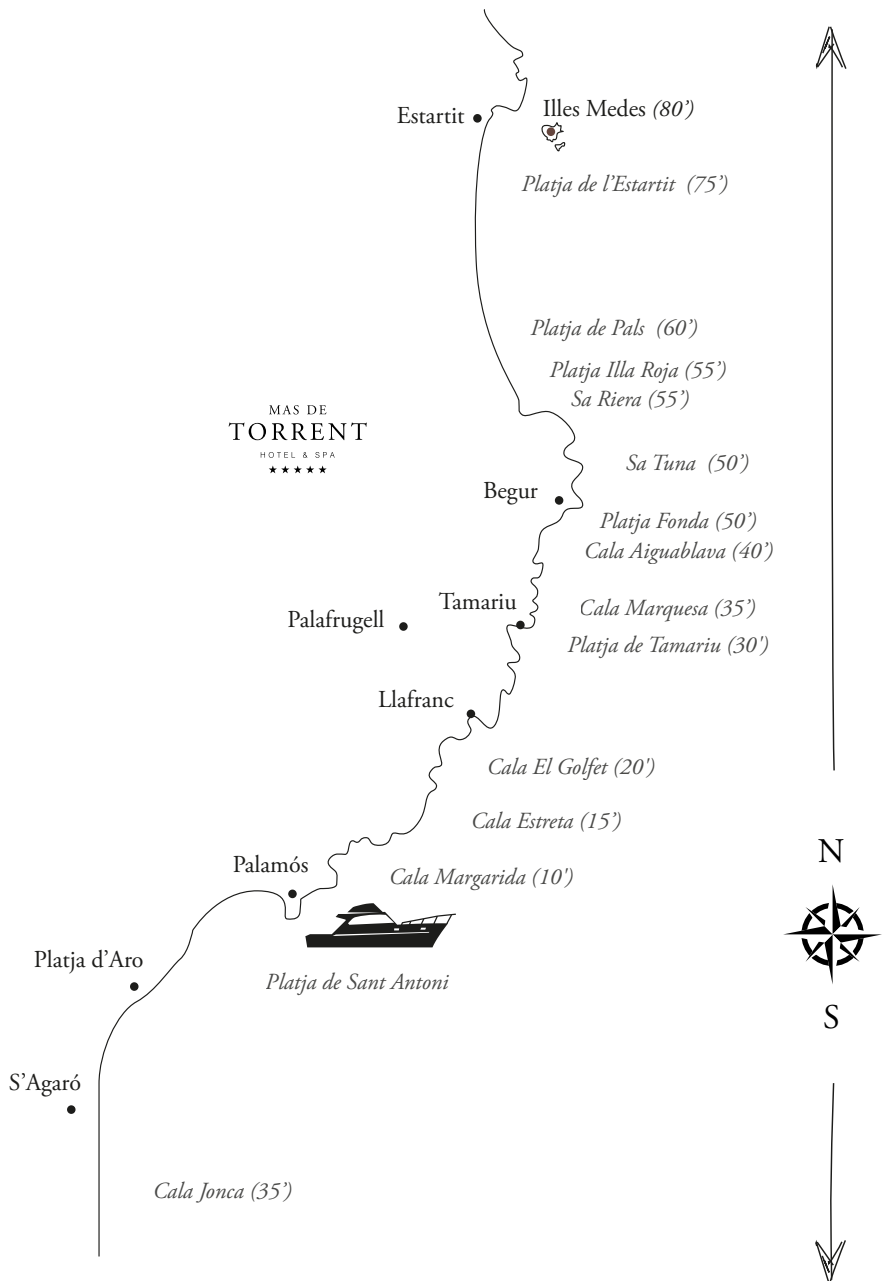

Take a private trip on the Mas de Torrent boat and discover the Costa Brava's hidden treasures.

We will take care of all the ins and outs, leaving you to enjoy a stress-free day of sailing on our new Gozzo 35 boat. The trips include a skipper, a culinary experience with an exclusive picnic, towels, diving masks, a stand-up paddleboard...

We offer special itineraries along the coast through which you can discover many of the Costa Brava's hidden "calas" (coves) and treasures, such as the Illes Medes, or fishing villages such as Llafranc, Calella, Tamariu and Cadaqués.

There are two types of experiences to choose from, according to your needs. A 4-hour half-day experience to enjoy and discover the prettiest coves on the Costa Brava, or an 8-hour full-day experience allowing you to reach locations such as Cadaqués or the Cap de Creus.

Port of departure: Palamós.

ITINERARIES TO THE NORTH

The northern itinerary allows you to see many unique and spectacular places. Among these are the small coves between Les Formigues and Cap Roig, El Golfet, the wonderful view of Calella from out at sea, the inlets between Aigua Xelida and Cala Marquesa and the fascinating sea cave, Cova del Bisbe. And why not try crossing the Pas dels Pins on the paddleboard along the way?

For those who wish to extend their sailing time, you can discover the wonderfully rich flora and fauna of the Illes Medes Natural Park or venture to the beautiful fishing town of Cadaqués, in the Cap de Creus Reserve (estimated sailing time to Cadaqués: 2 hours and 15 minutes).

ITINERARIES TO THE SOUTH

Discover Torre Valentina, the old coastal defence tower, the welcoming Sa Conca beach, the little s'Agaró coves, or the cove below the Sant Elm hermitage, a diving and swimming area close to Sant Feliu de Guíxols.

After passing Sant Feliu and arriving at Sant Elm, you will see a section of cliffs and charming coves until Tossa de Mar comes into view, a veritable picture postcard from out at sea (estimated sailing time to Tossa de Mar: 55 minutes).
